SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In August 2008, Cane Bay High School was established with a student population of 654 ninth and tenth graders. Cane Bay has flourished this year due to the determination and outstanding academic achievements of the student body, the generosity and continued support of committed stakeholders, the dedication of all staff members, and student excellence in athletic and extracurricular competitions. Student accomplishments include: Region Wrestling Championship; Cinderella, the first school musical; five District FBLA Leadership awards; two students placed in the state DECA competition; fifteen All-County Band and Orchestra members. Semaj Tolliver, a freshman, won first place in the 200 meter race at this year's state championship meet in Columbia.

Yet, in the coming year, our common goal is to exceed the standards we have reached and to continue to build upon our accomplishments.

Cane Bay offered a wide array of Honors, College Preparatory and Applied Technology courses during the 2008 –2009 school year. Next year our course offerings will include Advance Placement courses and a wider array of CTE classes. We consider high school graduation an important and essential step for our students, but not a final goal. Our future graduates are expected to leave with a well-defined plan for attaining their post secondary educational and career goals.

Cane Bay is a member of "High Schools That Work"—a model for continuous school improvement based on best practices research. Our Ninth Grade Academy has provided a means for establishing personal connections among our students and staff and has also helped students see the purpose and relevance of their academic work. The faculty and staff have spent many hours participating in Professional Learning Communities to build a foundation for collaboration and teamwork. The teachers share instructional best practices and work in curriculum teams, ensuring quality instruction and common assessments in all courses. Our focus areas have been standards-based instruction and differentiated instruction with the use of Smart lessons to actively engage all students.

As we move forward and grow as a school and as a community, we will continue to build the character, leadership skills and traditions that encompass the true spirit of a Cane Bay "Champion".
